The Warm Glow of Service

EL CAMINO HOSPITAL
AUXILIARY

JUNE 2019

Annual General Meeting 2019

The AGM of 2019 was yet another assembly of powerful speeches, delicious lunches, and special volunteer bonding. Volunteers from all departments came together to enjoy each other's company and the powerful speech from guest speaker Allison Massari.

Message from the President

Carol Carey

As my tenure as President of the Auxiliary comes to an end, I would like to thank you all most sincerely for the help and support I have received over the past two years. You are an incredible group of Volunteers, so willing to give your time and talent to ECH and the community.

I have so many folks to thank for their help, suggestions and guidance that is so necessary to function effectively in this role--there just isn't enough space to name them all individually. To the Board of Directors of the Auxiliary, the Hospital staff: both Administrative and general; a huge thank you for the ideas, encouragement, and support.

Last but not least to Beverley Engelmann and Brenda Moceyunas for their role in running an efficient and organized office and for putting up with my lack of tech skills.

Special Reminders

- A green jacket was left behind after the AGM from a couple weeks ago. You can claim it at the Auxiliary office.
- The Amenities cart is now being kept in the Equipment Room on 4B in the New Main Building. Please ask at the Nurses Station on 4B and someone will show you where it is.
- Thank you Pinkies!

The Auxiliary received a very nice note in appreciation of your time and effort as Auxilians. The following few sentences came in a lovely note that was sent to the Auxiliary office last month:

Dear Auxiliary,

Thank you so much for the comfort your gift of the small pillow has given me during my recovery of my shattered elbow. It was just so special to receive something so unexpected, yet so important to my recovery. For the time being, it has become part of my arm, offering support and comfort. The Auxiliary made an unfortunate accident a little easier to bear! In sincere appreciation!

- Kay Bentz, a long time Auxiliary volunteer and Past President, passed away recently. Her service will be Friday, June 14th at St. Mary's in Los Gatos. Please call the Auxiliary office if you would like more information.
- Special reminder to find a sub and let your COD know ahead of time if you cannot make a shift.
- AGM gifts are available in the Auxiliary office if you have not yet picked up one.
- Reminder that annual dues for membership renewal is approaching in July. Look out for it in the mail.
