Auxiliary Attends LACF Volunteer Fair Los Altos Community Foundation

El Camino Auxiliary leaders participated in the Los Altos Community Foundation Volunteer Fair on August 24th, 2019. Several hundred prospective volunteers attended the fair on the Downtown Green. President-Elect Pilar Camps and Director of Membership Teresa Day volunteered to staff our booth—and they did an amazing job! We'll be sure to see some new recruits soon.

The Auxiliary Board would love to do more events like these in the future! If you're interested in helping with recruitment and have ideas about future opportunities, please contact the office!

In Memoriam Marion Ruth Scatchard

Marion passed away peacefully on August 19th 2019 at the age of 96. She will be forever remembered for her youthful spirit and enthusiasm for life.

Her career in the electronics industry spanned 60 years, when she retired and began volunteering with the Auxiliary and the Los Altos Discovery Shop. Marion was a great team leader and teacher for many—no job was too much for her.

Marion is survived by her nephew, great nephews, and her "California Family" of many loving friends.

Message from the president

Judy van Dyck

The days seem to be passing by so quickly! Soon fall will be here bringing cooler weather and falling leaves everywhere.

Our Board members are settling into their particular duties, they each bring their special touch to our Auxiliary family.

Thanks for your patience with the challenge of parking, added to the construction being done all around campus. Thanks also for all you do for others and for each other.....

It's that time of year again! As Saint Francis, Blach, and other neighboring schools kick back into session, remember to give yourself extra time to come to your shift. Traffic may become more dense and parking is, as always, pretty tight.

Junior and Senior Volunteers: the Auxiliary office is currently producing our new Membership Roster. This roster will list your name, address, email, and phone number. An email with more information about the roster will be sent out soon, and if you would like to opt out of sharing any of the above information, please respond to the email promptly when it arrives!

- **Amenities Cart**

Our Los Gatos Amenities Cart is up and running! Thank you to our junior volunteers for staffing the cart—and making our patient's experiences that much better.

Newsflash Photo Contest!

Get Excited!

It's your new Newsflash Editor here! I'm really excited to be taking on this role for the Auxiliary and to be able to connect with all of you. Next edition, I'll be formally introducing myself and officially stepping into this position.

My goal is to make this newsletter as informative as it is fun to read...so I'm starting off my first edition with a photo contest! I know from experience that my old Escort shift would get up to a fair amount of shenanigans! Of course, I love shift bonding and I'd love for you to email me the funniest group photo of YOUR shift for a chance to be featured in the Newsflash and win some cool prizes! Email your photos to me at: euyang2008@gmail.com
