Auxiliary Giving Tree in Full Swing

The holiday season is upon us and our Junior Auxiliary volunteers are sponsoring a children's holiday giving tree. Donated gifts will be distributed to patients of MayView Community Health Center, a nonprofit primary care clinic devoted to providing healthcare to low-income families throughout Santa Clara County.

The giving trees will be located across the cafeteria on both hospital campuses and the 2nd floor of the Women's Hospital in Mountain View.

The tree will be decorated with gift tags—select a tag from the tree beginning December 1st and return your gift donation to the Auxiliary by December 17th. More instructions can be found on the back of the gift tag.

Join the Junior Auxiliary and spread some holiday cheer!
