

Visitor Guide

Welcome to El Camino Health's Los Gatos campus. We understand that visits from friends and family are important to our patients — and these visits are an important part of the healing process. Our hospital, including nurses and caregivers, will make every effort to accommodate visits to patients from family members and loved ones.

General visiting hours are 10 a.m. to 8 p.m. Please note that visiting policies and times may differ from one unit to another. The hospital does not restrict, limit, or otherwise deny visitation privileges on the basis of race, color, national origin, religion, sex, gender identity, sexual orientation, or disability. The hospital reserves the right to modify or withdraw the visitation hours and rights based upon the safety and welfare of the patient and the hospital staff, and as necessary in order to conduct high quality, normal hospital operations safely.

Keeping Patients and Visitors Safe

Safety is our number one priority. While we encourage visits from friends and family, our visitor guidelines put patients' safety and well-being above all else. That means that in particular departments or circumstances we may have different visiting guidelines in order to protect the health of our patients.

If you have a cold or respiratory infection, we ask that you postpone your visit, for the safety of your loved one and the rest of our patients. Also, in other instances, hospital staff may need to limit a patient's visiting hours for reasons such as:

- A patient's medical condition, including a risk of infection by a visitor.
- The family's health and safety, including a risk of infection by the patient.
- A patient's wish for privacy or uninterrupted rest time.
- A non-private room, in order to assure the comfort of both occupants.
- The need for a sterile environment.
- Any court order limiting or restraining contact.
- Behavior presenting a direct risk or threat to anyone in the immediate environment or disruptive to the functioning of the patient care unit.
- Extraordinary protections due to a pandemic or infectious disease outbreak.
- Substance-use treatment guidelines that may restrict or limit visitors.

Outgoing mail must contain a stamp and can be given to a staff member or left at the nurses' station. Mail is picked up and delivered daily. After discharge, patient mail will be forwarded to listed home address.

El Camino Hospital Auxiliary

Volunteers from the El Camino Hospital Auxiliary are available to assist patients and families at many locations in the hospital and also serve as patient escorts during hospital discharge.

Music and Healing

Through the Healing Arts Program, professional and volunteer musicians bring the soothing sound of music, playing in hallways and at bedsides for patients, staff, and visitors.

Spiritual Care

Our chaplains and volunteers of all faiths provide nondenominational spiritual support for patients and their families. Our spiritual care team is respectful of diverse spiritual and religious beliefs and cultural practices. Roman Catholic volunteers bring communion to Roman Catholic patients throughout the week. An Interfaith Meditation Room is located near the Intensive Care Unit. For more information, call 650-962-5836.
